Southwest Calgary Ring Road Transmission Project
RE: Construction schedule update

As part of the Southwest Calgary Ring Road Transmission Project, AltaLink started construction in May 2017 to relocate a portion of a transmission line underground along 37 Street SW. We expect this work to be completed by October 2017.

You may have received a Construction Schedule Update dated July 20th that outlined a staged approach to construction along 37 Street SW. Due to unanticipated construction delays and in order to safely complete the work and meet the timelines for the construction of the Southwest Calgary Ring Road, we have determined that we will require modifications to our construction and traffic accommodation plans.

Beginning August 11, 2017 we will require the closure of the 37 Street SW southbound traffic lane between 61 Avenue SW and 66 Avenue SW in addition to the existing closure southbound on 37 Street SW between Lakeview Drive and 61 Avenue SW. We will be implementing parking restrictions on the east side of 37 Street SW from Lakeview Drive to 66 Avenue SW.

We anticipate our work on 37 Street SW between Lakeview Drive and 58 Avenue SW will be completed within the next six weeks. At that time, 37 Street SW will reopen between Lakeview Drive and 58 Avenue SW to allow traffic to travel in both directions and the parking restrictions will be removed.

We anticipate our work on 37 Street SW between 61 Avenue SW and 66 Avenue SW will be completed by mid-October. At that time all of 37 Street SW will reopen allowing traffic to travel in both directions and the parking restrictions will be removed.

During the ongoing work along 37 Street, we strongly encourage cyclists to follow the established vehicle detours for the safety of all involved.

We apologize for the inconvenience, and appreciate your ongoing cooperation and patience during this project. AltaLink remains committed to trying to minimize the time spent on construction in your community.

If you have any questions, please contact stakeholderrelations@altalink.ca or 1-877-267-1453.

Sincerely,

Dave Lee
Manager, Consultation
