

NOTES

- Construction workspace and access trail is included within the proposed Preferred substation property boundary.
- The substation fenceline is approximately 60 metres by 75 metres.
- The substation property boundary is approximately 110 metres by 120 metres.
- The Preferred substation property boundary will abut the future widened road allowance of Township Road 240.
- All dimensions are approximate.
- Final access trail location will be determined through detailed engineering design.
