Fortis Conrad Substation Upgrade Notice of project approval

Thank you for your ongoing participation in the Fortis Conrad Substation Upgrade project. The Alberta Utilities Commission (AUC) approved this project for construction on May 15, 2018.

Next steps

We plan to begin construction in September 2018 and anticipate it will take approximately 10 months to complete. During construction, a mobile substation may be used to maintain electrical service and reliability in your area.

Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- work at the existing Conrad Substation

AUC approval

When the AUC approves a transmission project, it grants AltaLink Permits and Licenses. The Permits and Licenses for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding23414/SitePages/ViewDispositions.aspx>

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New Account' in the Login box and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca.

If you have any issues accessing these Permits and Licences, please contact us at the details below and we will mail copies of the documents to you.

Project background

The proposed project involves equipment upgrades at the existing Conrad Substation located in SW 3-7-15-W4. The project involves:

- adding one new 138/25 kV transformer
- adding two new 138 kV circuit breakers
- adding one new switchgear building containing four new 25 kV circuit breakers
- salvaging one existing 25 kV circuit breaker
- a fenceline expansion on the south side of the substation, approximately 20 metres by 72 metres

Contact us

AltaLink is available to gather any further input you have or address any questions or concerns. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at: <http://www.altalink.ca/projects/view/289/fortis-conrad-substation-upgrade>.

Sincerely,

Dave Lee
