### **Sunset Solar Connection Project Cancellation**

Thank you for your participation in the Sunset Solar Connection Project. You may have received information regarding this project in April 2018. This letter is to inform you that on June 14, 2019, the system access service request for the Sunset Solar Connection Project was cancelled.

If you have questions about the project cancellation, please contact the AESO at 1-888-866-2959 or at [stakeholder.relations@aeso.ca](mailto:stakeholder.relations@aeso.ca).

### **Project background**

Sunset Solar Inc. had requested a connection to the transmission system for their proposed Sunset Solar Project, located approximately three kilometres southwest of Grassy Lake.

The proposed project involved constructing approximately 55 metres of new 138 kilovolt (kV) transmission line to connect the Sunset Solar project to the electric system.
