## **Vista Coal Mine Connection Notice of project approval**

Thank you for your ongoing participation in the Vista Coal Mine Connection project. The Alberta Utilities Commission (AUC) approved this project for construction on October 26, 2018.

### **Next steps**

Construction began on October 31, 2018 and will last for approximately one month.

Where construction activities are required to take place on private property, we will contact you in advance to discuss the specific dates and times we will require access to your property.

Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- transmission structure construction
- wire stringing on the transmission structures

### **AUC approval**

When the AUC approves a transmission project, it grants AltaLink Permits and Licences. The Permits and Licences for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding23849/SitePages/ViewDispositions.aspx>

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New Account' in the Login box and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at [info@auc.ab.ca](mailto:info@auc.ab.ca).

If you have any issues accessing these Permits and Licences, please contact us at the details below and we will mail copies of the documents to you.

### **Project background**

Coalspur Mines (Operations) Ltd. (Coalspur) has requested a connection to the transmission system for their approved Vista Coal Mine Project.

The proposed project involves constructing approximately 85 metres of new 138kV transmission line to connect Coalspur's Vista 1029S Substation to AltaLink's existing 847L transmission line, and modify approximately 150 metres of the existing 847L.
