Fortis Kananaskis Reliability Upgrade Project Notice of Project Approval

Thank you for your ongoing participation in the FortisAlberta Kananaskis Reliability Upgrade Project. The Alberta Utilities Commission (AUC) approved this project for construction on November 6, 2018.

Next steps

We plan to begin construction in June 2019 and anticipate it will take six months to complete. Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- work at an existing substation

AUC approval

When the AUC approves a transmission project, it grants AltaLink Permits and Licences. The Permits and Licences for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding23987/SitePages/ViewDispositions.aspx>

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New Account' in the Login box and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca.

If you have any issues accessing these Permits and Licences, please contact us at the details below and we will mail copies of the documents to you.

Project background

The proposed project involves equipment upgrades at the existing Mount Allan Substation, located approximately two kilometres north of Kananaskis Village in SW 13-23-9-W5M, within the Evan Thomas Provincial Recreation Area.

AltaLink is proposing the following modifications to the existing Mount Allan Substation:

- replacing one existing 138/25 kilovolt (kV) transformer with a new higher capacity 138/25 kV transformer
- adding two 138 kV circuit breakers and associated equipment
- adding two 25 kV circuit breakers and associated equipment
- adding one new control building

All work will take place on AltaLink-leased land and no fence expansion will be required for this project.

Contact us

We are available to address any questions or concerns you may have. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at AltaLink project page URL.

Sincerely,

Dave Lee
Manager, Stakeholder Engagement
