BHE Canada Rattlesnake G.P. Inc. Wind Power Connection Update

In the last couple of weeks you may have received information about the BHE Canada Rattlesnake G.P. Inc. Wind Power Connection project. We want to provide you with an update on the project.

Since sending you the project information, dated October 2019, AltaLink has been directed by the Alberta Electric System Operator (AESO) to complete notification for the AESO on the project. We have updated our project information to now have the AESO's information included.

Please find in this package an updated version of our newsletter that includes the AESO's information as well as a copy of the AESO's Need Overview for this project.

If you would like to speak to an AltaLink representative regarding the project, please contact us at 1-877-269-5903 or stakeholderrelations@altalink.ca. Thank you.

Sincerely,

Dave Lee
