Old Elm Wind Farm Connection – Project Cancellation

Thank you for your participation in the Old Elm Wind Farm Connection. You may have received information regarding this project in June 2020.

This letter is to inform you that on October 5, 2020 the Alberta Electric System Operator (AESO) cancelled Old Elm Wind Farm Ltd.'s request for electric system access service. As a result, AltaLink's Old Elm Wind Farm Connection project is no longer required.

If you have questions about the cancelled request for electric system access service, please contact the AESO at 1-888-866-2959 or stakeholder.relations@aeso.ca.

Project background

AltaLink was proposing to construct a new transmission line and perform substation upgrades to connect the Old Elm Wind Farm to Alberta's Interconnected Electric System (AIES).
