**Enerfin Bullshead Substation Upgrade  
Notice of application filing**

Thank you for your ongoing participation in the Enerfin Bullshead Substation Upgrade. We submitted an application for the project to the Alberta Utilities Commission (AUC) on July 22, 2021.

**Next steps**

The AUC will review the application and can approve, approve with conditions, or deny the project. The AUC may also host a hearing regarding the project. To learn more about the AUC process and how you can become involved please visit [www.auc.ab.ca](http://www.auc.ab.ca).

**The application**

The application can be viewed on the AUC's website at  
<https://www2.auc.ab.ca/Proceeding26707/SitePages/Home.aspx>

To access the application, click on the 'eFiling System Login' button on the top of the page and log in to your eFiling account. If you do not have an account, select 'New Account' and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at [info@auc.ab.ca](mailto:info@auc.ab.ca).

Once your account has been created and you have successfully logged in, enter Filing number "26707" into the 'Go to...' search bar on the top of the page to locate the application. Alternatively, you can navigate to 'Find', click 'Proceedings' and enter "Enerfin" into the 'Description' search bar.

If you have any issues accessing the application, please contact us at the details below and we will mail a copy of the application to you.

**Project background**

AltaLink's proposed project involves equipment upgrades at the existing Bullshead Substation, located in Cypress County in NE-4-12-6-W4.

To connect Enerfin's proposed facilities to the electric system, AltaLink is proposing to add one new 138 kV (kilovolt) circuit breaker and associated equipment to the substation. All work will take place on AltaLink owned land and no fence expansion will be required.
