Hilda Wind Power Project Connection Notice of application filing

Thank you for your ongoing participation in the Hilda Wind Power Project Connection. AltaLink submitted an application for the project to the Alberta Utilities Commission (AUC) on April 21, 2022.

Project background

To connect RES's approved Hilda Wind Power Project to the grid, AltaLink is proposing upgrades to its transmission system in the area. Although AltaLink's project is required to facilitate the connection of RES's project, it is a separate project. RES will consult separately on their proposed transmission line.

This project is located in Cypress County. Part of the proposed project is located approximately 10 kilometres (km) northwest of the hamlet of Hilda in NW-29-18-1-W4M, and part of it is located approximately 15 km northeast of the city of Medicine Hat at the existing Chappice Lake Substation in SW-22-14-4-W4M.

Next steps

The AUC will review the application and can approve, approve with conditions or deny the project. The AUC may also host a hearing regarding the project. To learn more about the AUC process and how you can become involved please visit www.auc.ab.ca.

Where construction activities are required to take place on private property, AltaLink will contact you in advance to discuss the specific dates and times we will require access to your property.

The application

The application can be viewed on the AUC's website at <https://www2.auc.ab.ca/Proceeding27320/SitePages/Home.aspx>.

To access the application, click on the 'eFiling System Login' button on the top of the page and log in to your eFiling account. If you do not have an account, select 'New Account' and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca

Once your account has been created and you have successfully logged in, enter Filing number "27320" into the 'Go to...' search bar on the top of the page to locate the application. Alternatively, you can navigate to 'Find', click 'Proceedings' and enter "Hilda" into the 'Description' search bar.

If you have any issues accessing the application, please contact AltaLink at the details provided below and a copy of the application will be mailed to you.

Contact us

AltaLink is available to address any questions or concerns you may have. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at <https://www.altalink.ca/projects/view/378/hilda-wind-power-project-connection>.

Sincerely,

Kris Gladue
