Sagitawah Telecom Tower Salvage Notice of application filing and project approval

Thank you for your ongoing participation in the Sagitawah Telecom Tower Salvage project. We submitted an application for the project to the Alberta Utilities Commission (AUC) on June 8, 2022. The AUC approved this project for construction on June 21, 2022.

Next steps

This is a one-day project that will be completed by July 31, 2023. Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- salvaging of existing telecommunications tower
- work at an existing substation

AUC Approval

When the AUC approves a transmission project, it grants AltaLink Permits and licences. The permits and licences for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding27437/SitePages/Home.aspx>

To access the application, click on the 'eFiling System Login' button on the top of the page and log in to your eFiling account. If you do not have an account, select 'New Account' and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca

Once your account has been created and you have successfully logged in, enter Filing number 24437 into the 'Go to...' search bar on the top of the page to locate the application. Alternatively, you can navigate to 'Find', click 'Proceedings' and enter "Sagitawah" into the 'Description' search bar.

If you have any issues accessing the application, please contact us at the details below and we will mail a copy of the application to you.

Project background

The telecommunications tower at AltaLink's Sagitawah Substation is no longer required, so we will remove it. The Sagitawah Substation is located in SW-10-59-11-W5 in Woodlands County, approximately seven kilometres southeast of the Town of Whitecourt.

All work related to this salvage, including the potential use of cranes, will occur on land owned by AltaLink. Access to private property is not required.
