

THANK YOU FOR YOUR PATIENCE

113L Transmission Line Rebuild

AltaLink
2611 3 Avenue SE
Calgary, AB T2A 7W7

**You helped us ensure that a safe and reliable
supply of power is available for years to come**

Construction is complete on the 113L Transmission Line Rebuild, and we want to thank you for your patience and understanding.

During 2023, you may still see us in the area. We will continue vegetation management and begin reclaiming our right-of-way with native plant species that are safe to grow near transmission lines.
