Georgetown Solar Project Connection Notice of project approval

Thank you for your ongoing participation in the Georgetown Solar Project Connection. The Alberta Utilities Commission (AUC) approved this project for construction on October 26, 2023.

Next steps

Where construction activities are required to take place on private property, we will contact you in advance to discuss the specific dates and times we will require access to your property.

We plan to begin construction in March 2025, and anticipate construction to be complete in June 2025.

Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- transmission structure construction
- wire stringing on the transmission structures
- work at an existing substation
- construction of a telecommunications tower

AUC approval

When the AUC approves a transmission project, it grants AltaLink Permits and licences. The permits and licences for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding28327/SitePages/ViewDispositions.aspx>

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New Account' in the Login box and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca

If you have any issues accessing these Permits and Licences, please contact us at the details below and we will mail copies of the documents to you.

Project background

AltaLink's proposed project is located approximately 8.5 kilometres south of the Hamlet of Carseland in SE-17-21-25-W4. To connect the Georgetown Solar Project to the electric system, AltaLink's proposed project includes:

- adding one new structure on the existing 240 kilovolt (kV) transmission line (called 924L)
- building approximately 150 metres of new 240 kV transmission line (to be called 924AL)
- installing a new telecommunications tower within the Mossleigh Substation located in NE-8-21-25-W4
