

NOTES

AltaLink will work with the City of St. Albert regarding proposed construction workspace and access.

Construction workspace, up to 40 m x 40 m, will be requested at each existing and proposed structure location.

Stringing workspaces, up to 30 m x 80 m including right-of-way, may be requested adjacent to new angle structures.

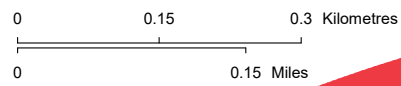

The existing stub pole at A5 may be temporarily replaced to install a new angle structure at this location.
