

NOTES

At structure 759L27, the six existing poles will be replaced with a single pole. Structure 759L30 (one pole) will be replaced with single pole structure. Structure 759L29 (five poles) will be replaced with a single pole structure.

AltaLink will require an approximately 135 x 60 m area of construction workspace east of the new 759L29 structure location.

AltaLink will require an approximately 20 x 50 m area of construction workspace south of the new 759L28 structure location.
