Attention: Ms. Kristjana Kellgren
Executive Director, Rates

Dear Ms. Kellgren:

RE: AltaLink Management Ltd., in its capacity as general partner of AltaLink, L.P.
(AltaLink), KainaiLink and PiikaniLink 2022-2023 General Tariff Applications

AltaLink is hereby filing with the Alberta Utilities Commission (the Commission) its General Tariff Application (GTA) along with the KainaiLink and PiikaniLink GTAs for the Test Period commencing January 1, 2022 through to December 31, 2023.

These GTAs consists of the following:

1. The Application and evidence filed in support of the Application;
2. Appendices with supporting documentation to the Application; and
3. The MFR schedules (in Excel format).

AltaLink's GTA also contains its Deferral Accounts Reconciliation for projects completed in 2020 and amounts associated with other deferral accounts.

Based on AltaLink's strong interest in supporting the Commission's goal to achieve real efficiencies and effectiveness in the regulatory process, AltaLink requests that the Commission consider whether or not these Applications may benefit from the Commission's Mediated Settlement Process. AltaLink supports a positive move to achieve efficiencies and believes that the entirety of these Applications could move through a mediated process, with no areas excluded from mediation. AltaLink believes there is a real opportunity to achieve a settlement. Should a settlement fail, AltaLink nonetheless remains interested in piloting a process that would implement the efficiencies identified by the Commission to the completion of the proceeding within less than 10 months of filing.

If you have any questions or require additional information regarding the Application, please contact the undersigned at (403) 267-3450.

Communications in respect of the Application may be sent to:
