

**INSET MAP**

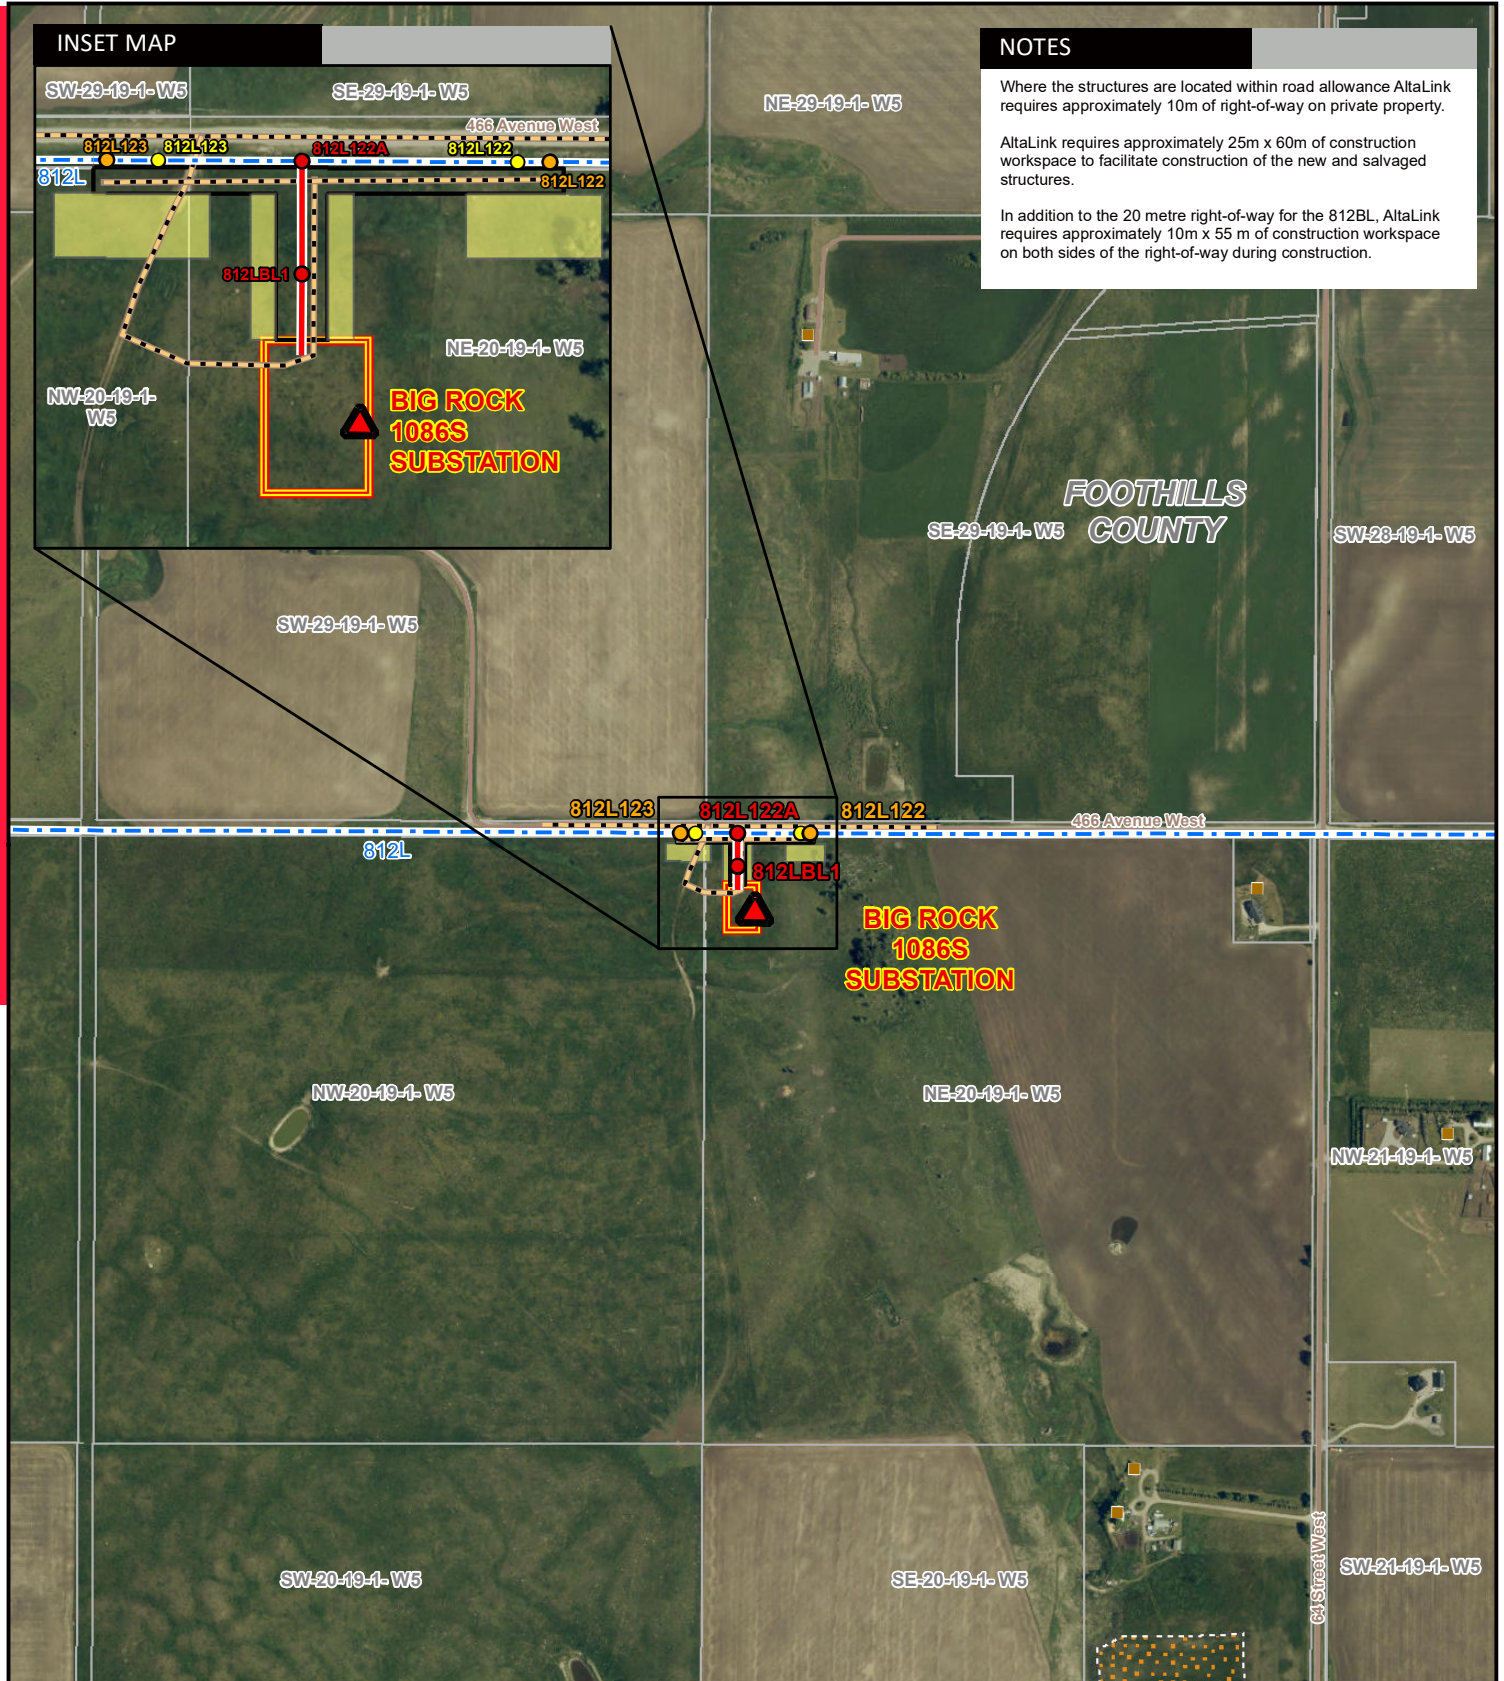

**NOTES**

Where the structures are located within road allowance AltaLink requires approximately 10m of right-of-way on private property.

AltaLink requires approximately 25m x 60m of construction workspace to facilitate construction of the new and salvaged structures.

In addition to the 20 metre right-of-way for the 812BL, AltaLink requires approximately 10m x 55 m of construction workspace on both sides of the right-of-way during construction.
