Bowmanton Substation Upgrade Notice of project approval

Thank you for your ongoing participation in the Bowmanton Substation Upgrade project. The Alberta Utilities Commission (AUC) approved this project for construction on June 6, 2023.

Next steps

We plan to begin construction in June 2024, and anticipate construction to be complete in September 2024. Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- work at an existing substation

AUC approval

When the AUC approves a transmission project, it grants AltaLink Permits and licences. The permit and licence for this project can be viewed on the AUC website at:

<https://www2.auc.ab.ca/Proceeding28197/SitePages/Home.aspx>

To view the above link, you will need to log in to your eFiling account. If you do not have an account, select 'New Account' in the Login box and follow the steps onscreen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca

If you have any issues accessing the Permit and Licence, please contact us at the details below and we will mail copies of the documents to you.

Project background

The proposed project involves equipment upgrades at the existing Bowmanton Substation, located in Cypress County, in NW-15-14-4-W4M.

The proposed upgrades include adding:

- three new 240 kilovolt (kV) circuit breakers and associated equipment
- three new 240 kV capacitor banks and associated equipment

Contact us

We are available to address any questions or concerns you may have. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at <https://www.altalink.ca/projects/view/405/bowmanton-substation-upgrade>

Sincerely,

Kris Gladue
