

NOTES

The proposed right-of-way boundaries are approximately 20m for the proposed transmission line and approximately 5m for the proposed underground fibre optic cable.

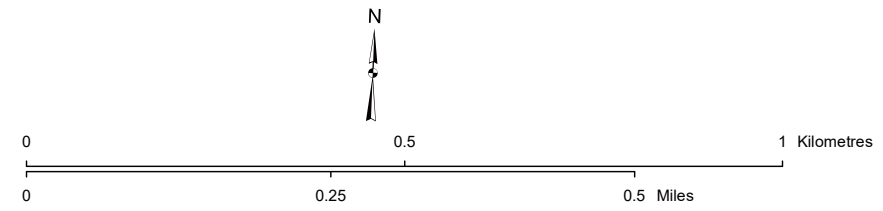

The proposed temporary construction workspace dimensions are approximately 175m x 25m x 175m x 45m east of the 831L transmission line right-of-way from A1 to A10, and approximately 10m south of the proposed 831L transmission line right-of-way and underground fibre optic cable right-of-way.

LEGEND

● Point Designation	Proposed Construction Workspace
— Proposed 831BL Transmission Line	Proposed Guy Anchor Easement
— Proposed Temporary Transmission Line	Residence
— Proposed Underground Fibre Optic Cable	Wellsite
- - - Existing Transmission Line	Pipeline
— Right of Way Boundary	Road
Proposed Customer Substation	Environmentally Significant Area
