Nisku 149S Substation Transformer Replacement Notice of application filing and approval

Thank you for your ongoing participation in the Nisku 149S Substation Transformer Replacement. We submitted an application for the project to the Alberta Utilities Commission (AUC) on May 12, 2026. The Alberta Utilities Commission (AUC) approved this project for construction on May 14, 2026.

Next steps

We will begin construction in July 2026. Construction will be staged with one transformer being replaced in 2026 and the other transformer being replaced in 2027. We anticipate construction to be completed by December 2027.

Depending on where you are in relation to the project, you may see or hear:

- noise and construction crews
- work at the existing substation
- increased traffic at the existing substation

AUC Approval

When the AUC approves a transmission project, it grants AltaLink Permits and licences. The permits and licences for this project can be viewed on the AUC website at:
<https://www2.auc.ab.ca/proceeding/30819>

To access the application, scroll down the main page and click on the 'Access here' option under 'Access to the eFiling System' and log in to your eFiling account. If you do not have an account, select 'New personal account' or 'New organization account' and follow the steps on the screen. Please note any questions or concerns regarding account creation and management should be directed towards the AUC at info@auc.ab.ca.

Once your account has been created and you have successfully logged in, enter filing number 30819 into the 'Go to...' search bar on the top of the page to locate the application.

If you have any issues accessing the application, please contact us at the details below and we will mail a copy of the application to you.

Project background

AltaLink is upgrading equipment at its existing Nisku 149S substation located east of the City of Leduc.

The proposed project will include replacing two aging transformers with two new transformers along with associated equipment.

Contact us

We are available to address any questions or concerns you may have. Please contact us at stakeholderrelations@altalink.ca or 1-877-267-1453. Further information about this project and maps are available at <https://www.altalink.ca/project/nisku-149s-substation-transformer-replacement/>.

Sincerely,

Kris Gladue
