How to read your map
 This map will help you locate proposed routes in relation to your property. The side titled Detail Base highlights routing criteria such as residences and environmental considerations. The side titled Detail Photo is an aerial image and provides landscape details. The black dots and corresponding letters and numbers (for example A10) will help you identify the route you are closest to.

DETAIL BASE DB1

ALTALINK
 A BERSHIRE HATHAWAY ENERGY COMPANY

POTENTIAL
 Provost to Edgerton and Nilrem to Vermillion
 Transmission Development
 Provost to Edgerton Component
